

## ROFAN Z-85 4WD

**Categories:** [Aircraft pushback tractors](#),  
[Baggage & cargo tractors](#)

**SKU:** 0226

The Rofan Z-85 heavy cargo tractor is a well known solution for towing of heavy cargo on the airport.

Especially the Z-85 4WD with its self weight of 8 Tons and and 4-wheel drive is one of the most powerful cargo tractors on the apron. With a drawbar pull of max. 48000 N its sets a benchmark for towing of 20ft heavy cargo trailers by providing a towing capacity which is already on the level of aircraft pushback tractors.

### PRODUCT INFORMATION

<b>Manufacturer</b>	Rofan
