

## MULAG COMET 3

**Category:** [Baggage & cargo tractors](#)

**SKU:** 0180

The Mulag Comet 3 is the standard baggage tractor on most European Airports. Its is famous for its efficient operation and durability.

The design of the Comet 3 was improved continuesly, based on the experiences of the ground handling crews over the years.

Like most of the GSE made in Germany, it is powered by a Deutz Diesel engine. The transmission is an automatic Graziano PST gearbox. This helps the Mulag Comet 3 combine towing power, high Drawbar Pull and outstanding maneuverability.
