

MULAG COMET 6

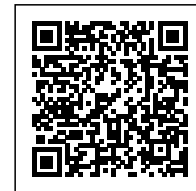

Category: [Baggage & cargo tractors](#)

SKU: 0195

The Mulag Comet 6 is famous for its towing power and durability in moving cargo pallet dollies and container trailers.

It is capable of towing and pushback of smaller aircraft as well.

One of the available options is the reverse drive "inching" system which allows the safe and easy connecting of the tractor with the dollies by external control buttons located at the rear side of the unit.
