

HITZINGER GPU 100MDE18 (90 KVA)

Category: [Ground power units](#)

SKU: 0630

The Ground Power Unit of type Hitzing 100MDE18 is currently the most popular GPU on German airports.

Like all Hitzing products, it has a very advanced design and uses top level components. Owing to its very good accessible and spacious main junction box cabinet, the service and maintenance control system is very easy and efficient.

The installed 90 KVA 400 Hz AC Generator is powered by a Deutz BF4M 1013 FC diesel engine. This generator provides a very steady and durable 400 Hz ground power supply on the apron.

PRODUCT INFORMATION

Manufacturer

Hitzing

Manufacturing year	2012
Power supply capacity	90 KVA - 115V / 200V - 400 Hz
Engine manufacturer	Deutz
Engine type	BF4M 1013 FC
Engine fuel type	Diesel
Self weight	2.600 kg
Color	White / Black (new paintwork)
Condition	Used, in serviceable condition
